VOLUME I.

HANNIBAL, MO.: WEDNESDAY EVENING, MARCH 30, 1853.

NUMBER 15.

The Publisher of Scott's Weekly Paper.

The largest Family Journal in the United States, encouraged by the very liberal patronage bestowed upon his Paper for the last seven years, and believing that the great reduction of postage will materially aid in extending the circulation of the favorite family newspaper, has spared neither pains nor expense to make his popular Journal still more worthy of public patronage. He has just put up a new steam-power printing-press, which was manufactured to order with an especial view to improve the mechanical appearance of the Paper. He has contracted with a new firm to furnish a better article of paper than has heretofore been used. It is to be manufactured on Fourdrinier's machines expressly for "Scott's Weekly Paper." He has decorated the Paper with entirely new type, a new heading, and new vignette cuts, increased the width of the columns, and extended the size of the paper. It is now pronounced, by all who have seen it, to be the handsomest and cheapest paper in the union. The contents of the paper will continue to be of the very highest order of excellence. Preparations have been made which enable the publisher to assure the public that it will never be behind with important News; and arrangements have been effected with some of the ablest story writers in the country, both male and female, for a Series of First-Rate Stories on a variety of subjects, in which, however, incidents connected with the Revolution will constitute a prominent theme. There are now on hand original articles from the first writers in the United States, several of which are illustrated Nouvellettes, a new feature—one that the publisher trusts will meet with the views of the reading public. The selected articles from foreign magazines are generally the very same which appear in the New York magazines, our weekly issues giving us great advantages in this respect.

Scott's Weekly Paper has won wide fame as an interesting and instructive family newspaper, devoted to all the interests of trade and business, to light literature, and to the various matters which contribute to the formation of a complete family fireside companion, in which amusement and instruction predominate. Its original domestic stories have acquired for it a wide popularity, and, as a vehicle of the earliest news, it possesses a worth not exceeded by any other paper of its character in the United States. It publishes Valuable Recipes and Useful Hints for housewifery, cooking, preserving, cleaning Furniture, &c., &c. It is a moral instructor for youth, and contains more really useful information than any other journal. Chronological tables of historical events, scintillations of history, biographies of distinguished men of the past and present century, valuable essays on important Scientific, philosophic, and useful subjects, records of new inventions, &c., &c., form part of its regular contents.

Scott's weekly paper has reached a circulation unparalleled in the history of similar undertakings. It owes its success to the fact, that it presents more reading matter, of a better quality, in a more elegant style, and at a cheaper rate than any other publication; and that its literary and news contents have met the wants of the great mass of the American people, by combining interest, instruction, and amusement to a degree hitherto unequalled. Every possible effort will be made to increase its merit in proportion to its constantly increasing circulation and success. It is only by publishing a very edition that a journal of the size and character of Scott's Weekly Paper can be afforded at its extremely low price, and this large circulation the publisher intends to maintain.

Harper's New Monthly Magazine.

HARPER'S NEW MONTHLY MAGAZINE has already reached a regular monthly issue of more than 100,000 COPIES, and is still steadily and rapidly increasing. The Publishers have endeavored, by a well-directed use of the abundant resources at their command, to render it the most attractive and most useful Magazine for popular reading in the world; and the extent to which their efforts have been successful is indicated by the fact, that it has attained a greater circulation than any similar periodical ever issued.

Special efforts will be made to render it still more interesting and valuable during the coming year. In addition to the usual ample and choice selections of Foreign and Domestic Literature, an increased amount of Original Matter, by the ablest American Writers, will be hereafter furnished. The number of Pictorial Embellishments will be increased; still greater variety will be given to its literary contents; its Editorial and Miscellaneous departments will be still farther enlarged; and no labor or expense will be spared to render it in every way, and in all respects, still more worthy of the extraordinary favor with which it has been received.

HARPER'S NEW MONTHLY MAGAZINE owes its success to the fact, that it presents more reading matter, of a better quality, in a more elegant style, and at a cheaper rate than any other publication.

Subscribers in any part of the United States may now receive the Magazine by mail for three cents a number, or thirty-six cents a year postage, either of the Publishers, the Booksellers, or Periodical Agents.

What can be got for Five Dollars!!

The undersigned have entered into an arrangement by which they agree to furnish the Knickerbocker Magazine, (monthly,) the Home Journal, (weekly,) and the Musical World and Times, (weekly,) to new subscribers, at the very moderate price of five dollars a year for the three publications; all orders enclosing that amount to Dyer & Willis, will be promptly attended to.

Publisher of the Knickerbocker.

Publishers of the Home Journal.

Grand Literary and Artistic Combination.

Arrangements have been made to furnish the Knickerbocker Magazine, the Home Journal, and the New York Musical World and Times, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for

five dollars a year, is a fact truly worthy the 'Caloric' age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak. For twenty years it has been the most genial, humorous, and spicy 'monthly' in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to everything worth knowing:—Art, Science, Literature, music, painting, sculpture, inventions, discoveries; wit, humor, fancy, sentiment; the newest fashions and other attractions for ladies; choice new music for the Sabbath, the church, and the fireside; reviews and criticisms of Musical Works, Performers and Performances; in short, the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser, and Happier, may be now obtained for FIVE DOLLARS. Five Great Novellees.—Great Attraction!!

Some five or six weeks ago, we announced that we would publish five first-class novelettes, written expressly for the "Dollar Newspaper." NEVER FAILING REMEDY!!!

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1852.

To Professor HOLLOWAY.

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills; which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at last a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limbs, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper, of Keady, near Gainsboro', dated March 1st, 1852.

To Professor HOLLOWAY.

SIR—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.

CERTAIN REMEDY FOR SCORBUTIC HUMORS—AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists, Bath.

To Professor HOLLOWAY.

DEAR SIR,—Among the numerous cures effected by the use of your valuable medicines in the neighborhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Police Force, also, has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, Dear Sir,

Yours, faithfully,

April 6th, 1852. (Signed) WALKER, & CO.
